

MI2N MUSIC PR MARKETING

Ideal for artists and labels, as well as supporting promoters and agencies, Mi2N's PR Music Service provides guaranteed press release placements through a network of newswires, eGroups, blog communities, boards and forums, as well as MP3 and video distribution.

"It has been easy and effective for our clients...at a great price! We all highly recommend Mi2N PR services to everyone we know!"

Kathy Douglas, Indie Extreme

About Mi2N

Mi2N (Music Industry News Network) is the largest online daily newswire serving the music industry. Since 1998, Mi2N has kept professionals worldwide informed on the latest developments shaping their sector by covering nearly every facet of the industry, from new business models and technological innovations to up-&-coming artists and emerging trends.

Mi2N-PRESS

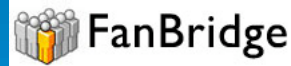

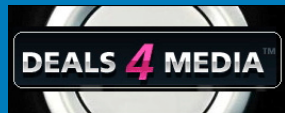

Now, more than ever, artists must be able to successfully express their unique brand and convey news about upcoming performances or the release of a new single or CD to their target audience. Online marketing has proven to be one of the most effective and affordable ways to do so. Mi2N has over ten years of experience working with people on both sides of the industry, and we know what it takes to get results. That's why we've introduced the Mi2N-PRESS PR Writing Service.

http://www.mi2n.com/services/mi2n_press.php3

Mi2N-PRESS includes:

- A professionally written, approximately 400 word press release within 2 business days of your paid submission (all press release details also must be provided)
- Automatic submission of your press release to the Mi2N website and 35 syndicated newswires
- 15% discount on select Mi2N premium PR distribution packages
- A money back guarantee that your press release will be error free and delivered on time
- Prices ranging from \$159.95 - \$312.00
